

Wanted:

Senior Operator

We are looking for an enthusiastic day shift Senior Operator (fulltime) who will work within the Operations department and – if required – will support other departments to ensure the progress of the projects, so materials, machines and people are used in a safe and efficient manner.

Most important tasks and responsibilities:

- Managing Operations Department;
- Logistics (plan supply/transport);
- Administrative tasks;
- Perform tasks calamities procedures;
- Realize agreed planning;
- Ensure compliance with the applicable work instructions and regulations of ARBO/SHE (Safety, Health, Environment);
- Participate in various projects of our clients.

Job requirement :

To be able to properly fulfill this role:

- Minimum Operator C;
- Valid VCA-Vol certificate or prepared to obtain this certificate;
- You can work with MS Word and Excel;
- You have experience in guiding student operators and manage a department;
- Vapro B or C
- Basic knowledge BHV;
- Technical insight;

You also have the following competences:

- Motivated;
- Goal- and results oriented;
- Highly communicative
- Active work attitude
- Exemplary behavior
- Independent
- Hands-on
- Customer friendly

Everyday we offer you a challenging job in a young, enthusiastic and committed team with an informal collegial atmosphere, growth opportunities, travel allowance.

Are you becoming our new colleague? Do you want to work within an innovating company like [Plant One Rotterdam](https://www.plantone.nl)? Send your motivation with your resume to: sollicitatie@plantone-rotterdam.nl
